Messrs. S. H. & H. Chapman,

Gentlemen:-

Replying to yours of the 21st inst., relative to the U. S. Copper Cents of 1799 and 1804. I think the best plan would be to send them to me by express C. O. D. subject to examination, the writer to pay the express charges both ways, in case none of the specimens should be satisfactory. I enclose herewith fifty cents in postage to pay the express-
age, and would suggest that you send two specimens of each date, one fair and one good. If, however, you prefer to send more than four specimens on approval, as suggested by you, I am pleased to give you the following references:-

Jno. McGrath & Sons, Brookhaven, Miss. Our largest general store, with whom the writer runs a monthly account.

J. W. Wood, our leading retail grocer, with whom I also run a monthly account.

Price Drug Co., Brookhaven, Miss.

In order to save time, however, I would prefer to have them shipped by express C. O. D., with the privilege of examination. If one or all of them are satisfactory, I will pay the express agent the amount, and should I return all of them, will pay the return express charges. Please let me hear from you as early as possible, and oblige,

Yours truly,

K. M. Huntington

Gentlemen:-

Replying to your letter of the 2nd inst. The express package containing the coins arrived, and I selected the 1804 U. S. Copper Cent at \$6.00, which amount I paid the agent, and return charges 55 cents. Since writing you on the 28th ultimo, I secured a good specimen of the 1799 cent, very much better than either of the two specimens you sent, for which I paid the party \$8.00 I understand that very good specimens of the 1799 cent are very rare. The 1804 cent quoted by you at \$10.50 was in good condition, but the writer did not care to pay that much for same.

I am very much pleased with the one I selected, and when in the market for anything in this line in future, will remember you.

Thanking you for your kindness in sending the coins as you did, I am,

Yours truly,
